House of Boba And Coffee

A Tradition Steeped in Sweetness

Boba tea, also known as bubble tea, originated in Taiwan during the 1980s, quickly becoming a global sensation for its unique blend of flavors, chewy tapioca pearls, and playful presentation. What began as a simple experiment—combining milk tea with tapioca balls—soon captured the hearts of millions, evolving into an iconic drink loved by people of all ages. This delightful beverage represents more than just a trend; it's a cultural experience that blends tradition and creativity, offering endless possibilities of flavor, texture, and fun.

At Big Scoop Cafe, we honor the rich history of boba tea while staying committed to delivering authenticity in every sip. Our boba teas are crafted using high-quality ingredients, from freshly brewed teas to perfectly cooked tapioca pearls that are soft, chewy, and full of flavor. We pride ourselves on striking the perfect balance between tradition and innovation, ensuring that each drink reflects the true essence of boba culture. Whether it's a classic milk tea or a creative new recipe, every boba at Big Scoop Cafe is a celebration of authenticity, passion, and a promise to delight.

Our Story

BigScoop Cafe is the brainchild of Mr. Anish Thankachen who loved Boba while living in Hong Kong but when he returned to India, Boba was not available. At least not the quality that you get in Eastern Asia. So he partnered with Mr. Vasanth Kumar who has extensive industry experience working at Cafe Coffee day and Havmor to develop the idea of creating the premium brand selling top quality Boba drinks, Coffee and Ice Cream products.

Big Scoop Cafe products have been developed to create the perfect balance between the Indian palate and traditional Taiwanese Boba drinks. Menu includes a range of exotic and international flavors in Milk, Soda and Ice cream based items. Additionally, BigScoop Cafe also offers unique Sundaes, Hot drinks like Coffees and Quick fast food.
